Help Make Racing More Fun!

The ASMBYC Racers Forum is an opportunity for sailboat racers and crew to give direct input to our member yacht clubs. Share ideas on how we can make our sport grow and be more fun. We plan to have a panel discussion, followed by your feedback and suggestions on these topics:

- **Making Racing More Fun:** Your likes and dislikes as to trophies, hospitality, post-race videos, prizes and other incentives for greater race participation.
- **Inter-Harbor Racing:** Do we need to revise the ASMBYC High Point Series? What else would promote racing in your “other” harbor?
- **Impediments To Racing:** Difficulty finding crew? Time constraints? One day vs. two day formats? Later starting times? Better communication - need more readily accessible information about particular races?
- **Fleet Building:** Our panelists will share fleet building ideas that can be used to “self-organize” your own mini-fleet of fellow skippers.
- **Technology:** Demonstration of GPS tracking for post-race viewing.

Questions? Please contact ASMBYC V/C Gary Green at garygreen@ca.rr.com or 310-348-9647. We look forward to seeing you on Wednesday, March 26th.
